9. LATE PROPOSALS For purposes of Proposal openings held and conducted by the Purchasing Division, a Proposal must be received in such place as may be designated in the Proposal Documents or if no place is specified to the Town of North Hempstead, Purchasing Division, 220 Plandome Road, Manhasset, New York 11030, at or before the date and time established in the Proposal Specifications for the Proposal opening.

Similar types of delays, including but not limited to, bad weather or security procedures for parking and building admittance shall not excuse late Proposal submissions. Determinations relative to Proposal timeliness shall be at the sole discretion of the Commissioner.

10. PROPOSAL CONTENTS Proposals must be complete and legible. All proposals must be signed. All information required by the Proposal Specifications must be supplied by the Proposer on the forms or in the format specified. No alteration, erasure or addition is to be made to the Proposal Documents. Changes may be ignored by the Commissioner or may be grounds for rejection of the Proposal. Proposers are cautioned to verify their Proposals before submission, as amendments to Proposals or requests for withdrawal of Proposals received by the Commissioner after the time specified for the Proposal opening/date of submission of RFP, may not be considered.

11. EXTRANEIOUS TERMS Proposals must conform to the terms set forth in the Proposers Documents, as extraneous terms or material deviations (including additional, inconsistent, conflicting or alternative terms) may render the Proposal non-responsive and may result in rejection of the Proposal.

Extraneous term(s) submitted on standard, pre-printed forms (including but not limited to: product literature, order forms, license agreements, contracts or other documents) that are attached or referenced with submissions shall not be considered part of the Proposal or resulting Contract, but shall be deemed included for informational or promotional purposes only.

No extraneous term(s), whether or not deemed "material," shall be incorporated into a Contract or Purchase Order unless the Commissioner expressly accepts each such term(s) in writing. Acceptance and/or processing of the Proposal shall not constitute such written acceptance of Extraneous Term(s).

12. CONFIDENTIAL/TRADE SECRET MATERIALS Contractor confidential trade secret or proprietary materials as defined by the laws of the State of New York must be clearly marked and identified as such upon submission by the Proposal. Marking the Proposal as "confidential" or "proprietary" on its face or in the document header or footer shall not be considered by the Commissioner to be sufficient without specific justification as to why disclosure of particular information in the Proposal would cause substantial injury to the competitive position of the Proposer. Contractors intending to seek an exemption from disclosure of these materials under the Freedom of Information Law must request the exemption in writing, setting forth the reasons for the claimed exemption. Acceptance of the claimed materials does not constitute a determination on the exemption request, which determination will be made in accordance with statutory procedures. Properly identified information that has been designated confidential, trade secret, or proprietary by the Proposer will not be disclosed except as may be required by the Freedom of Information Law or other applicable State and federal laws.

13. RELEASE OF PROPOSAL EVALUATION MATERIALS Requests concerning the evaluation of Proposal may be submitted under the Freedom of Information Law.

14. FREEDOM OF INFORMATION LAW During the evaluation process, the content of each Proposal will be held in confidence and details of any Proposal will not be revealed (except as may be required under the Freedom of Information Law or other State law). The Freedom of Information Law provides for an exemption from disclosure for trade secrets or information the disclosure of which would cause injury to the competitive position of commercial enterprises. This exception would be effective both during and after the evaluation process. If the Proposal contains any such trade secret or other confidential or proprietary information, it must be accompanied in the

Veterinary Mobile Unit

Proposal with a written request to the Commissioner to not disclose such information. Such request must state with particularity the reasons why the information should not be available for disclosure and must be provided at the time of submission of the Proposal. Notations in the header, footer or watermark of the Proposal Document will not be considered sufficient to constitute a request for non-disclosure of trade secret or other confidential or proprietary information. Where a Freedom of Information request is made for trademark or other confidential or proprietary information, the Commissioner reserves the right to determine upon written notice to the Proposer whether such information qualifies for the exemption for disclosure under the law. Notwithstanding the above, where a Proposal tabulation is prepared and Proposals publicly opened, such Proposal tabulation shall be available upon request.

15. TAXES

- A. Unless otherwise specified in the Proposal Specifications or Contract, the quoted Proposal price includes all taxes applicable to the transaction.
- B. Purchases made by the Town are exempt from New York State sales and excise taxes. These taxes are not to be included in Proposals. This exemption does not, however, apply to tools, machinery, equipment or other property, sold or leased to the Contractor or a subcontractor, or to materials and supplies of a kind which will not be incorporated into the completed Product, and the Contractor and his subcontractors shall be responsible for and pay any and all applicable taxes including Sales and Compensating Use Taxes, on such leased tools, machinery, equipment or other property or on such unincorporated materials and supplies, and the provisions set forth below will not be applicable to such tools, machinery, equipment, property and unincorporated materials and supplies.
- C. New York State Truck Mileage and Unemployment Insurance or Federal Social Security taxes remain the sole responsibility of the Proposer/Contractor, as no person, firm or corporation is exempt from paying them.
- D. Pursuant to Revised Tax Law 5-a, Contractor will be required to furnish sales tax certification on its behalf and for its affiliates, and subcontractors for Contracts with a value greater than \$100,000 in accordance with provisions of the law.

PROPOSAL EVALUATION

16. PROPOSAL EVALUATION The Commissioner reserves the right to accept or reject any and all Proposals, or separable portions of offers, and waive technicalities, irregularities, and omissions if the Commissioner determines the best interests of the Town will be served. The Commissioner, in his/her sole discretion, may accept or reject illegible, incomplete or vague Proposals and his/her decision shall be final. A conditional or revocable Proposal which clearly communicates the terms or limitations of acceptance may be considered, and Contract award may be made in compliance with the Proposer's conditional or revocable terms in the offer.

17. CONDITIONAL PROPOSAL Unless the Proposal Specifications provides otherwise, a Proposal is not rendered non-responsive if the Proposer specifies that the award will be accepted only on all or a specified group of items or Product included in the specification. It is understood that nothing herein shall be deemed to change or alter the method of award contained in the Proposal Documents.

18. CLARIFICATIONS / REVISIONS Prior to award, the Commissioner reserves the right to seek clarifications, request Proposal revisions, or to request any information deemed necessary for proper evaluation of Proposals from all Proposers deemed to be eligible for Contract award. Failure to provide requested information may result in rejection of the Proposal.

19. EQUIVALENT OR IDENTICAL PROPOSALS In the event that two or more Proposers submit substantially equivalent Proposals as to pricing or other factors, the decision of the Commissioner to award a Contract to one or more of such Proposers shall be final.

20. PROMPT PAYMENT DISCOUNTS While prompt payment discounts will not be considered in determining the low Proposal, the Commissioner may consider any prompt payment discount in resolving Proposals which are otherwise tied. However, any notation indicating that the price is net, (*e.g., net 30 days*), shall be understood to mean only that no prompt payment discount is offered by the Proposer. The imposition of service, interest, or other charges, except as otherwise permitted by law, may render the Proposal non-responsive and may be cause for its rejection.

Veterinary Mobile Unit

21. PERFORMANCE AND RESPONSIBILITY QUALIFICATIONS The Commissioner reserves the right to investigate or inspect at any time whether or not the Product, services, qualifications or facilities offered by the Proposer/Contractor meet the requirements set forth in the Proposal Specifications/Contract or as set forth during Contract negotiations. Contractor shall at all times during the Contract term remain responsible and responsive. If the Commissioner determines that the conditions and terms of the Proposal Documents, Proposal Specifications or Contract are not complied with, or that items, services or Product proposed to be furnished do not meet the specified requirements, or that the legal authority, integrity experience, ability, prior performance, organization and financial capacity or facilities are not satisfactory, the Commissioner may reject such Proposal or terminate the Contract.

22. QUANTITY CHANGES PRIOR TO AWARD The Commissioner reserves the right, at any time prior to the award of a specific quantity Contract, to alter in good faith the quantities listed in the Proposal Specifications. In the event such right is exercised, the lowest responsible Proposer meeting Proposal Specifications will be advised of the revised quantities and afforded an opportunity to extend or reduce its Proposal price in relation to the changed quantities. Refusal by the low Proposer to so extend or reduce its Proposal price may result in the rejection of its Proposal and the award of such Contract to the lowest responsible Proposer who accepts the revised qualifications.

23. TIMEFRAME FOR OFFERS The Commissioner reserves the right to make awards within forty-five (45) days after opening of Proposals, during which period, Proposals must remain firm and cannot be withdrawn. Any Proposal which expressly states therein that acceptance must be made within a shorter specified time, may at the sole discretion of the Commissioner, be accepted or rejected.

TERMS & CONDITIONS

24. CONTRACT CREATION / EXECUTION Subject to Award and upon receipt of all required approvals as set forth in the Proposal Specifications, a Contract shall be deemed executed and created with the successful Proposer(s), upon receipt of: (A) a fully executed Contract; or (B) a Purchase Order authorized by the Commissioner.

25. MODIFICATION OF CONTRACT TERMS The terms and conditions set forth in the Contract shall govern all transactions by and between the Town and the Contractor under this Contract. The Contract may only be modified or amended upon mutual written agreement of the Commissioner and Contractor.

The Contractor may, however, offer more advantageous pricing, payment, or other terms and conditions than those set forth in the Contract. In such event, a copy of such terms shall be furnished to the Commissioner by the Contractor at the time of such offer.

Other than where such terms are more advantageous for the Town than those set forth in the Contract, no alteration or modification of the terms of the Contract, including substitution of Product, shall be valid or binding against the Town unless authorized by the Commissioner. No such alteration or modification shall be made by unilaterally affixing such terms to Product upon delivery (including, but not limited to, attachment or inclusion of standard pre-printed order forms, product literature, "shrink wrap" terms accompanying software upon delivery, or other documents) or by incorporating such terms onto order forms, purchase orders or other documents forwarded by the Contractor for payment, notwithstanding the Town's subsequent acceptance of Product, or that the Town has subsequently processed such document for approval or payment.

26. SCOPE CHANGES The Commissioner reserves the right, unilaterally, to require, by written order, changes by altering, adding to or deducting from the Proposal Specifications, such changes to be within the general scope of the Contract. The Commissioner may make an equitable adjustment in the Contract price or delivery date if the change affects the cost or time of performance. Such equitable adjustments require the consent of the Contractor, which consent shall not be unreasonably withheld.

27. EMERGENCY CONTRACTS In the event that a disaster emergency is declared by the Town, or it determines that an emergency exists requiring the prompt and immediate delivery of Product, the Town reserves the right to obtain such Product from any source, including but not limited to this Contract(s), as the Town in its sole discretion determines will meet the needs of such emergency. Contractor shall not be entitled to any claim or lost profits for Product procured from other sources pursuant to this paragraph.

28. PURCHASE ORDERS Unless otherwise authorized in writing by the Commissioner, no Product is to be delivered or furnished by Contractor until transmittal of an official Purchase Order from the Town. Unless terminated or cancelled pursuant to the authority vested in

Veterinary Mobile Unit

the Town, Purchase Orders shall be effective and binding upon the Contractor when placed in the mail or electronically transmitted prior to the termination of the contract period, addressed to the Contractor at the address for receipt of orders set forth in the Contract or in the Award.

All Purchase Orders issued pursuant to Contracts let by the Commissioner must bear the appropriate Contract number. As deemed necessary, the Town may confirm pricing and other Product information with the Contractor prior to placement of the Purchase Order. The Town reserves the right to require any other information from the Contractor which the Town deems necessary in order to complete any Purchase Order placed under the Contract. Should the Town add written terms and conditions to the Purchase Order that conflict with the terms and conditions of the Contract, the Contractor has the option of rejecting the Purchase Order within *five business days* of its receipt but shall first attempt to negotiate the additional written terms and conditions in good faith with the Town, or fulfill the Purchase Order. Notwithstanding the above, the Town reserves the right to dispute any discrepancies arising from the presentation of additional terms and conditions with the Contractor.

29. EMPLOYEES, SUBCONTRACTORS & AGENTS All employees, sub-contractors or agents performing work under the Contract must be trained staff or technicians who meet or exceed the professional, technical and training qualifications set forth in the Proposal Specifications or the Proposal Documents, whichever is more restrictive, and must comply with all security and administrative requirements of the Town. The Commissioner reserves the right to conduct a security background check or otherwise approve any employee,

sub-contractor or agent furnished by Contractor and to refuse access to or require replacement of any personnel for cause based on, including but not limited to, professional, technical or training qualifications, quality of work or change in security status or non-compliance with Town's security or other requirements. Such approval shall not relieve the Contractor of the obligation to perform all work in compliance with the Contract terms. The Commissioner reserves the right to reject and/or bar from the facility for cause any employee, sub-contractor, or agents of the Contractor.

30. ASSIGNMENT The Contractor shall not assign, transfer, convey, sublet, or otherwise dispose of the contract or its right, title or interest therein, or its power to execute such contract to any other person, company, firm or corporation in performance of the contract without the prior written consent of the Town. Failure to obtain consent to assignment from the Town shall revoke and annul such Contract. Prior to a consent to assignment of a Contract, or portion thereof, becoming effective, the Contractor shall submit the request to assignment to the Commissioner and seek written agreement from the Commissioner. The Commissioner reserves the right to reject any proposed assignee in his/her discretion.

31. SUBCONTRACTORS AND SUPPLIERS The Contractor shall advise the Commissioner, in writing, as to the name and address of the proposed sub-contractor and the exact scope of the work the sub-contractor will perform. The Contractor shall not sub-contract with the sub-contractor until the Commissioner has given written approval of the sub-contractor and the work to be performed. All work by sub-contractors shall be performed at no additional cost to the Town except as herein elsewhere stated in the Contract. All sub-contractors shall be required to furnish the Town with proof of insurance in the same manner and the amounts as required by the Contractor. All sub-contractors shall be required to comply with the applicable terms and conditions of the Contract.

The Commissioner reserves the right to reject any proposed Subcontractor or supplier for bona fide business reasons, which may include, but are not limited to: they are on the New York State Department of Labor's list of companies with which New York State cannot do business; the Commissioner determines that the company is not qualified; the Commissioner determines that the company is not responsible; the company has previously provided unsatisfactory work or services; the company failed to solicit minority and women's business enterprises (M/WBE) Proposers as required by prior Contracts.

32. PERFORMANCE / PROPOSAL BOND The Commissioner reserves the right to require a Proposer or Contractor to furnish without additional cost, a performance, payment or Proposal bond or negotiable irrevocable letter of credit or other form of security for the faithful performance of the Contract. Where required, such bond or other security shall be in the form prescribed by the Town Attorney of the Town of North Hempstead. Failure of the Contractor to furnish said surety within ten days from the date of request shall be sufficient cause to terminate the Contract and cancel a pending Purchase Order(s).

33. SUSPENSION OF WORK The Commissioner, in his/her sole discretion, reserves the right to suspend any or all activities under this Contract, at any time, in the best interests of the Town. In the event of such suspension, the Contractor will be given a formal written notice outlining the particulars of such suspension. Examples of the reason for such suspension include, but are not limited to, a budget freeze or reduction on Town spending, declaration of emergency, contract compliance issues or other such circumstances. Upon issuance of such notice, the Contractor is not to accept any Purchase Orders, and shall comply with the suspension order. Activity may resume at such time as the Commissioner issues a formal written notice authorizing a resumption of performance under the Contract.

34. TERMINATION

A. By written notice: This Contract may be terminated at any time by the Town upon sixty (60) days written notice or other specified period without penalty or other early termination charges due. The Town will be responsible for payment of any portion of the Services completed prior to termination of the Contract and satisfactory to the Town's Comptroller. Such termination of the Contract shall not affect any project or Purchase Order that has been issued under the Contract prior to the date of such termination. Contractor shall use due diligence and provide any outstanding deliverables.

B. For Violation of the Sections 139-j and 139-k of the State Finance Law: The Commissioner reserves the absolute right to terminate the Contract in the event it is found that the certification filed by the Proposer in accordance with Section 139-k of the State Finance Law was intentionally false or intentionally incomplete. Upon such finding, the Commissioner may exercise its termination right by providing written notification to the Contractor in accordance with the written notification terms of the Contract.

C. For Violation of Revised Tax Law 5a: The Commissioner reserves the absolute right to terminate the contract in the event it is found that the certification filed by the Contractor in accordance with §5-a of the Tax Law is not timely filed during the term of the Contract or the certification furnished was intentionally false or intentionally incomplete. Upon such finding, the Commissioner may exercise its termination right by providing written notification to the Contractor.

D. Contractor Assistance Upon Termination. In connection with the termination or impending termination of the Contract, the Contractor shall, regardless of the reason for termination, take all actions reasonably requested by the Town to assist the Town in transitioning the Contractor's responsibilities under the Contract.

E. Accounting Upon Termination. Within thirty (30) days of the termination of the Contract, the Contractor shall provide the Town with a complete accounting up to the date of termination of all monies received from the Town, and shall immediately refund to the Town any unexpended balance remaining as of the time of termination.

F. Reimbursement Upon Termination. Payment to the Contractor following termination shall not exceed authorized expenditures made prior to termination, and may be suspended by the Town pending the Contractor's reasonable compliance with the terms and provisions of (D) and (E) above.

35. SAVINGS/FORCE MAJEURE A force majeure occurrence is an event or effect that cannot be reasonably anticipated or controlled. Force majeure includes, but is not limited to, acts of God, acts of war, acts of public enemies, strikes, fires, explosions, actions of the elements, floods, or other similar causes beyond the control of the Contractor or the Commissioner in the performance of the Contract which non-performance, by exercise of reasonable diligence, cannot be prevented. Contractor shall provide the Commissioner with written notice of any force majeure occurrence as soon as the delay is known.

Neither the Contractor nor the Commissioner shall be liable to the other for any delay in or failure of performance under the Contract due to a force majeure occurrence. Any such delay in or failure of performance shall not constitute default or give rise to any liability for damages. The existence of such causes of such delay or failure shall extend the period for performance to such extent as determined by the Contractor and the Commissioner to be necessary to enable complete performance by the Contractor if reasonable diligence is exercised after the cause of delay or failure has been removed.

Notwithstanding the above, at the discretion of the Commissioner where the delay or failure will significantly impair the value of the Contract to the Town, the Commissioner may:

- A. Accept allocated performance or deliveries from the Contractor. The Contractor, however, hereby agrees to grant preferential treatment to the Town with respect to Product subjected to allocation; and/or
- B. Purchase from other sources (without recourse to and by the Contractor for the costs and expenses thereof) to replace all or part of the Products which are the subject of the delay, which purchases may be deducted from the Contract quantities without penalty or liability to the Town; or
- C. Terminate the Contract or the portion thereof which is subject to delays, and thereby discharge any unexecuted portion of the Contract or the relative part thereof.

In addition, the Commissioner reserves the right, in his/her sole discretion, to make an equitable adjustment in the Contract terms and/or pricing should extreme and unforeseen volatility in the marketplace affect pricing or the availability of supply. "Extreme and unforeseen volatility in the marketplace" is defined as market circumstances which meet the following criteria: (i) the volatility is due to causes outside the control of Contractor; (ii) the volatility affects the marketplace or industry, not just the particular Contract source of supply; (iii) the effect on pricing or availability of supply is substantial; and (iv) the volatility so affects Contractor's performance that continued performance of the Contract would result in a substantial loss.

36. CONTRACT BILLINGS

A. Contractor and the distributors/resellers designated by the Contractor, if any, shall provide complete and accurate billing invoices to the Town in order to receive payment. None of the Contract amount shall be paid by the Town except pursuant to timely filed claim forms containing documentation of the costs claimed following completion of all or a portion of the Product or services performed, all in form and substance satisfactory to the Town.

i. **Claim Forms, Claim Form Review and Approval.** Payments shall be made to the Contractor in arrears and shall be expressly contingent upon: (a) the Contractor submitting a claim form (the "Claim Form") in a form provided by the Town, that (i) states with reasonable specificity the Product or services provided and the payment requested as consideration for such Product or services; (ii) certifies that the sum sought is just, true and correct; that no part thereof has been paid except as stated, and that the balance is actually due and owing and that taxes from which the Town is exempt are excluded; and (iii) is accompanied by documentation satisfactory to the Town supporting the amount claimed, and review, approval and audit of the Claim Form by the Town.

ii. **Timing of Payment Claims.** The Contractor shall submit claims no more frequently than once a month and no later than three (3) months following the Town's receipt of the Product or services performed that are the subject of the claim. Any claims submitted in violation of this Section shall not be due and payable by the Town.

iii. **No Duplication of Payments.** Payments for the Product shall not duplicate payments for any work performed or to be performed under any other agreements made between the Contractor and any funding source including the Town.

iv. **Release** The acceptance by the Contractor or any person claiming under the Contractor of any payment made on the final payment claim under this Contract shall operate on and shall be a release to the Town from all claims and liability to the Contractor, its successors, legal representatives and assigns, for any compensation or reimbursement for services rendered or work performed under or by the provisions of this Contract.

B. The Comptroller shall render payment for Town purchases, and such payment shall be made in accordance with ordinary Town procedures and practices.

C. Submission of a Claim Form and payment thereof shall not preclude the Commissioner from reimbursement or demanding a price adjustment in any case where the Product delivered is found to deviate from the terms and conditions of the Contract or where the billing was inaccurate.

D. Contractor shall provide, upon request of the Commissioner or the Comptroller, any and all information necessary to verify the accuracy of the billings. Such information shall be provided in the format requested by the Commissioner or Comptroller and in a media commercially available from the Contractor.

Such purchases may, in the discretion of the Commissioner, be deducted from the Contract quantity and payments due Contractor.

B. **Withhold Payment** In any case where a question of non-performance by Contractor arises, payment may be withheld in whole or in part at the discretion of the Commissioner. Should the amount withheld be finally paid, a cash discount originally offered may be taken as if no delay in payment had occurred.

C. **Reimbursement of Costs Incurred** The Contractor agrees to reimburse the Town promptly for any and all additional costs and expenses incurred for acquiring acceptable services, and/or replacement Product. Should the cost of cover be less than the Contract price, the Contractor shall have no claim to the difference. The Contractor covenants and agrees that in the event suit is successfully prosecuted for any default on the part of the Contractor, all costs and expenses expended or incurred by the Town in connection therewith, including reasonable attorney's fees, shall be paid by the Contractor.

D. **Substitute Equipment** Where the Contractor fails to timely deliver pursuant to the guaranteed delivery terms of the Contract, the Town may rent substitute equipment temporarily. Any sums expended for such rental shall, upon demand, be reimbursed to the Town promptly by the Contractor or deducted by the Town from payments due or to become due the Contractor on the same or another transaction.

E. **Deduction/Credit** Sums due as a result of these remedies may be deducted or offset by the Town from payments due, or to become due, the Contractor on the same or another transaction. If no deduction or only a partial deduction is made in such fashion the Contractor shall pay to the Town the amount of such claim or portion of the claim still outstanding, on demand. The Commissioner reserves the right to determine the disposition of any rebates, settlements, restitution, liquidated damages, etc., which arise from the administration of the Contract.

38. INDEPENDENT CONTRACTOR The Contractor, in accordance with his status as an independent contractor, covenants and agrees that it will conduct itself consistent with such status, that it will neither hold itself out as, nor claim to be, an officer or employee of the Town by reason hereof, and that it will not by reason hereof, make any claim, demand or application to or for any right or privilege applicable to an officer or employee of the Town, including but not limited to, Workmen's Compensation coverage, Unemployment Insurance benefits, Social Security or Retirement membership or credit. The Contractor shall not engage, on a full time or part-time or other basis during the period of the Contract, any professional or technical personnel who are or have been at any time during the period of the Contract in the employ of the Federal Highway Administration or the Public Works organization of any State, County or City or Town except regularly retired employees, without the consent of the public employer of such person.

39. COOPERATION WITH THIRD PARTIES The Contractor shall be responsible for fully cooperating with any third-party, including but not limited to other Contractors or Subcontractors of the Town, as necessary to ensure delivery of Product or coordination of performance of services.

SECTION II

SCOPE OF WORK

A. SCOPE OF CONTRACT

To secure services with an entity that offers a mobile unit and licensed veterinarian to hold feral cat spay and neuter events at the Town's animal shelter or other Town or Village property. At these events, residents or organizations serving the Town may bring feral cats to be spayed or neutered. After the surgery, the entity will release the feral cat to the person or organization that brought the animal and the person or organization will provide post-operative care and return that feral cat to its colony. At no time will a Town or Village take ownership or custody of the feral cat. While it is the expectation that residents or organizations, as the animal's caretaker, would trap, provide post-operative care and return the feral cats to their colonies, the entity must have the ability to provide additional services, upon request, for trapping, post-operative care and the return of the feral cats to their colonies.

B. POLICY

In 2002, the Town implemented a TNR program to address the growing feral cat population. The feral cats are humanely trapped, transported to licensed veterinarians for sterilization, inoculation and ear notching, provided post-operative care and then released back to their original colonies.

The Town contracts with organizations, which have participated in the program since its inception. In that time, we have trapped, serviced and released approximately 1,000 cats.

The Town addresses the problem of feral feline overpopulation in a humane and effective manner by stabilizing the feral cat colonies and preventing the potential spread of disease.
